THE HISTORY OF THE  
CITY OF BOSTON

FROM THE FIRST SETTLEMENT TO THE PRESENT TIME

BY SAMUEL JOHNSON, ESQ. OF BOSTON

IN TWO VOLUMES.  
THE FIRST VOLUME.

CHAPTER I.

OF THE FIRST SETTLEMENT OF THE CITY OF BOSTON.

THE CITY OF BOSTON WAS FIRST SETTLED BY  
A COMPANY OF ENGLISHMEN, WHO  
ARRIVED IN THE YEAR 1630, AND  
WERE CALLED THE "FATHERS OF THE CITY."  
THEY WERE FOLLOWED BY OTHER  
SETTLERS, AND THE CITY GROWED  
RAPIDLY. IN THE YEAR 1639, THE  
CITY WAS INCORPORATED AS A  
MUNICIPALITY. SINCE THAT TIME,  
IT HAS CONTINUED TO GROW, AND  
IS NOW ONE OF THE MOST  
IMPORTANT CITIES IN THE  
UNITED STATES.

1. The first part of the report is a general  
description of the project. It is a preliminary  
report on the progress of the work.

2. The second part of the report is a detailed  
description of the work done during the last  
year.

3. The third part of the report is a summary  
of the results of the work. It is a preliminary  
report on the progress of the work.

4. The fourth part of the report is a summary  
of the results of the work. It is a preliminary  
report on the progress of the work.

5. The fifth part of the report is a summary  
of the results of the work. It is a preliminary  
report on the progress of the work.

6. The sixth part of the report is a summary  
of the results of the work. It is a preliminary  
report on the progress of the work.

7. The seventh part of the report is a summary  
of the results of the work. It is a preliminary  
report on the progress of the work.

8. The eighth part of the report is a summary  
of the results of the work. It is a preliminary  
report on the progress of the work.
